Cash Drawers

The ION Cash Drawer represents the new standard in quality vs. price. It has all the same features as more expensive models--smooth operation, a strong locking mechanism, and a fully adjustable till--but at a price to fit any budget. The ION Cash Drawer is available in 16" and 18" models and has been designed to withstand the wear and tear of retail and restaurant applications.

Available with both black or stainless steel front faces, the ION Cash Drawer comes with a 3-Year Warranty and is compatible with multiple printer brands, including POS-X, Epson, Citizen, Ithaca, and Star, to name a few.
